

Selectmen's Meeting
February 17, 2009
Bob Wormer & Bruce Frazer Present
Meeting Started at 7:00 P.M.

Ken Kinder came in to discuss the Trust Funds with the Selectmen. Ken had met with the Trustees and Selectmen on November 11, 2008 to discuss moving the stocks and long term investments to Wachovia Securities, the Trustees signed the paper work to do so on February 3, 2009 and the Selectmen signed the forms after asking a few questions. They were concerned about how the accounts would be handled. Ken said we would make a policy investment policy before any changes were made on the investments. Alicia Vosinek had planned to join the Selectmen for this meeting but called to say she was unable to attend.

John & Sandy land were in to discuss their property appraisals as well as the appraisal on John's parents land. John said they were out of town when the Assessor's held their meetings so they were not able to make an appointment. They were told to fill out an Abatement form and return it to the Selectmen by March 1, 2009.

The Selectmen signed the vouchers along with a use of Town Hall contract for the church for many dates. The Selectmen did not sign a request for use of the Town Hall for the Woodsville High School 50th class reunion. This does not come under the policy for use of the hall.

The Selectmen also signed the Budget and the Warrant of the Town to be posted at the Town Hall, Post Office, North Monroe Fire Station and the Library.

Meeting adjourned at 10:00 P.M.
