

Selectmen's Meeting

July 6, 2010

Bruce Frazer was the only Selectmen present so he was unable to do any official business. Glen Wagner did come in to discuss the baseball program with the Selectmen as they had talked to Bob Reardon about it last week. Bob did not feel that it was a good program this year. Glen said that it was all new people running the league this year. He said he did not feel the people in charge of the league were communicating as much as they should have, he also felt that there was a lack of communication between the coaches. One of the problems is that in order to play the 10 games for the season you will have to travel and not everyone was willing to do this. The girls softball teams did go to games that were further away this year. We as a town had one big boy's team, one big girl's team, one little girl's team, one little boy's team and one t-ball team. In the two older groups we did have some children from Barnet and Peacham. Bob Reardon had suggested having the parents pay a portion of the fees because some of the children were not coming to all games and practices and he felt this would get more of them there. Glen did not feel this was a good idea due to the economy. He said what he would like the league to do was start a scholarship fund for the towns where the families have to pay the fees. Not everyone can afford to pay so some children are left out who would like to play.

Fran Wendelboe was in to introduce herself; she is running for New Hampshire State Senate. If anyone is interested in finding out more about her she has a website which is franforsenate.com
