

Selectmen's Meeting

May 4, 2010

All Selectmen Present

Meeting started at 7:00 P.M.

The Selectmen signed the manifest. They also signed a building permit for Doc & Jean Belyea, current use forms for Barry Nelson, Merle Jones and John Marshall, a timber tax for Merle and Connie Jones, a letter authorizing the Trustees to pay Brett S. Purvis and Associates \$1,333.00 from the Assessing Fund.

The Selectmen received a letter from Stephen Robbins at Woodsville Ambulance praising the Monroe FAST Squad and Monroe Fire Department for their actions in recent weeks, two calls in particular that the outcomes were very good due to the timely response and excellent care by our people. In both cases the patients were in cardiac arrest and the early defibrillation and CPR were key in the outcome of both patients. Steve believes that in both cases if the patients had not received this care in the few minutes before the ambulance arrived the outcome would have been much worse. The Selectmen said they are very proud of our FAST Squad and Fire Department.

Cindy told the Selectmen that Pike Industries will be paving from the Bath town line to Harley View Drive on May 10th weather permitting. They plan to have the job done in a day if all goes well.

Bryan Turnbull was in to update the Selectmen on the recycling. There was a very good turnout on Saturday for the first day, about 50 people. Starting May 8th the recycling will start at 7:30 and go until 11:00 A.M. This means starting a half hour earlier as a person that has to work on Saturdays has asked for this so they can do their recycling before going to work.

Bruce reminded the other Selectmen that we need to have a plan sent to DES on the water system by May 15th. He received a letter from John Porter on things that we can do as far as the Gibson Farm is concerned and has a few questions on it. Bruce will call John and see if he can get some answers than get the letter written to DES. He will also get hold of Jon Warzocha about filling out a grant application for us.

Meeting adjourned at 10:00 P.M.

Respectfully Submitted;

Cindy Frazer, Administrative Assistant
